2018 Family Membership Enrollment

(Please Print)

A Family Membership is for a group of 2 or more, consisting of grandparents, parents, children, and other relatives by blood, or marriage. The attached family form must be completed for each participating unit making up the family. Prior to use of equipment by any individual family member, a release of liability form must be executed covering that family member.

Please complete the family tree outline below showing the relationship of each family element that will be using HCS&R programs and equipment. A Family Membership is \$75.00 per year.
