6		
7		

Each Rowing Crew Member must complete an Individual Membership Enrollment Form.
These forms are available on this website.

Crew experience, skill and safety orientation must be verified before boats can be used without supervision. Please:

Schedule boat use so that equipment can be set aside for a crew.

Use equipment with care and focus on safety.

Check boats and equipment before use.

When done put equipment away and make sure that the boat(s) and equipment are secure.
